Lodore Falls

A must-see for tourists in Victorian times. Formed by the beck from Watendlath Tarn cascading over huge boulders for a distance of some 100 feet. The falls are spectacular after heavy rain, but turn to a trickle in periods of prolonged dry weather.

Half day option:

Enter the Jaws of Borrowdale

Catch the 09:25 bus from Keswick and arrive at Rosthwaite at 09:48. Take the lane past the car park and cross the River Derwent at New Bridge. The footpath takes you into High and Low Hows Woods, a beautiful ancient oak woodland, carpeted in bluebells in the Spring. This is the Jaws of Borrowdale, with the River Derwent squeezing between Grange Fell, Castle Crag and High Spy.

Turn left up a bridleway at Gowder Dub (a deep pool in the river) and walk behind Castle Crag. A steeper path goes on to its summit with amazing views of Derwentwater. Continue along the bridleway to a bridge over Tongue Gill and turn left downhill on a footpath back to Rosthwaite.

Lunch could be had at either the Royal Oak or the Scafell Hotel in Rosthwaite. From here catch the 15.00 or 16.00 78 bus back to Keswick.

Distance: 6 km round trip from Rosthwaite
Time: 2 -3- hours

Walking

If you are thinking of going walking, make sure that you are properly equipped, as the weather can change quickly. Check the weather before you go, get a mountain forecast from **0870 055 0575** or www.lake-district.go.uk/weatherline.

Ordnance Survey map **OL4** will be required for walks in this area.

Full day option:

Walk the west shore of Derwentwater

Catch the 10:25 bus from Keswick and arrive at the Lodore Hotel at 10:38. Walk south along the roadside path for 100 metres or so and then turn right to reach 'Chinese Bridge' and a brand new recycled plastic boardwalk which takes you through to Manesty Park.

From here the lakeshore can be followed past High and Low Brandelhow jetties and into Brandelhow Woods. There are opportunities for picnicking and relaxing all along this shoreline section so you can take as long as you like. You can shorten the walk by catching a Keswick Launch (quarter to and half past the hour every hour from High and Low Brandelhow).

To continue the west shore walk, go past Hawse End outdoor centre and through Lingholm Woods to Portinscale where there is a tearoom, store and pub. From here you can walk back to Keswick via the suspension bridge, take the boat from Nichol End jetty at 14.45 or 15.45 or catch the 77 Honister Rambler back to Keswick at 16.06.

Distance: 6.5 km from Lodore to Nichol End jetty or 4.5 km from Lodore to Hawse End jetty
Time: Don't rush! 3 - 4 hours or more.
